Respected Members,

We have been Celebrating the Teachers day on 5th September every year since 1962 as a mark of respect and pay rich tributes to our Hon'ble President of India, Late. Sri. Sarvepalli Radhakrishnan, who was born on 5th September 1888. A day, to Honor the gifted souls who work every day to make sure that the future is bright for all of us. I also join with you to thank all gurus and in particular to those who are instrumental in shaping us what we are today.

Dear member, generally the month of September is a very hectic schedule for all our professional colleagues in completing the Tax Audit assignment with in the due date. However this year due to the extension of due date announced by the Central Government the rush towards the Income tax Web server also got reduced. In fact due to this extension, I trust all members will utilize this opportunity in completing their assignment without having any stress or hassle.

As you are aware the importance of Documentation, keeping in view of Peer Review and Code of Ethics, I request you to maintain appropriate Documentation while doing the Audits physically or remotely. Wish you all a Happy and Careful Auditing!!

I would like to remind to all members to pay their Annual Membership fee for the year 2020-21 by 30.09.2020 so as to avoid the removal of name from register of members by ICAI.

Let me end my communication as a chairman by quoting:

Success doesn't lie in 'Results' but in 'Efforts'

Being the best is not important but 'Doing' the best all that matters

I intend to do my best!!

With warm professional regards,

**CA Sharad Paliwal**  
Chairman of Agra Branch
