**Editorial Support**

Respected Members,

The month of October is special on account of celebration of Gandhi Jayanthi and followed by Poojas and festivals. It is generally a joyous and colorful month.

Agra branch also celebrated this in a fitting manner by distributing stationery kits to the underprivileged students of Ek Pahal, Agra while observing social distancing and necessary precautions. This will boost their confidence and encourage them to study even at home when they are not able to attend schools due to prevailing circumstances.

Due to the pandemic, the entire situation has changed and the restrictions in movements is a real set back in visiting the client's offices and factories. With the limited resources available, we have to complete the targets and meet the commitments on time. Our responsibilities have become more. Let us keep ourselves fit and enthusiastic and proceed with our profession in the best possible way and achieve our target.

I thank the contributors who are contributing articles for our branch e newsletter even during this pandemic period. I thank the managing committee members for their continued support and encouragement.

I pray the Almighty for the welfare of every one and early lifting of complete lock down so that the economic activity can resume in the country as a whole.

**Stay safe, take care.**

I intend to do my best!!

With warm professional regards,

CA Sharad Paliwal  
Chairman of Agra Branch
