Respected Members,

Life is like riding a bicycle, to keep your balance, you must keep moving. Sometimes it's very hard to move on, but once you move, you'll realize it was the best decision.

My Dear professional colleagues, in the month of July we celebrated CA Week and we are thankful to the members and their family members for participating in the programmes and for their support to Agra Branch.

I am repeating my words to make you aware about Virtual CPE Meeting

Agra branch has started virtual CPE meeting (VCM) with structured CPE hours. Procedure as laid down by ICAI for CPE program is through registration of participants so whenever you receive message for any CPE program, kindly register in that program through given link, but participants who will attend almost full program will be eligible for CPE hours.

Further it's our humble request, please pay Annual Meeting Fund of Agra Branch as early as possible, branch is running through support of each member who is paying meeting fund. It is not the matter of thinking that as only VCMs are going on, so what are the expenses to meet out.

Respected Seniors and Friends branch expenses includes some fixed expenses e.g. Salary of Branch staff, rent of premises, electricity bill etc. also it is to be noted that virtual meetings are not free of cost each VCM involves some cost, for all these branches requires fund. So please pay meeting fund as we already revised the meeting fund and detail is mailed to you.

Dear members this is the time to test our organization through DCMM (Digital Competency Maturity Model) where we are and where we may reach. Thus, start using technology as your assistant, and work smartly to save your time and time is money.
