Respected Professional Colleague,

Ring in the New Year is cause for celebration, for spending time with friends and family, and for looking back. A lot can happen in a year and between the good, the bad, and the ugly, this may seem like an understatement for most. As glasses are raised and fireworks explode into the sky, it's important to recognize the special symbolism this holiday brings with it. A time of new beginnings and fresh starts also comes with a time of reflection. Whether your resolutions consist of keeping your hands out of the cookie jar or giving your heartfelt word to work on relationships with loved ones, it can take work. And it can make all the difference to put these hopes into words and warm wishes.

The Agra Branch of ICAI and its managing committee have put in their best efforts in organising programs and activities for members and students during the year 2019. At all fronts we could stand for the cause of the profession. The year 2019 was eventful. In the years to come the profession may have to face more challenges for which we should be equipped enough. Challenges will be coming to people who are capable of facing the challenges. With our enormous potential and value system as professionals we can demonstrate to the society that no temporary challenges can hamper our long term goals and visions.

In the month of December 2019, Agra Branch conducted CPE Programmes of 75 Hours in Agra and Mofussil areas. The details are as below:
